

mineralfresh

A luxurious mineral experience

The mineralfresh® transformation

Enriched with magnesium
for added benefits

Transforms your pool
into a soothing sanctuary
for relaxation

Enhances the pool
experience by imparting
a smooth and velvety
texture to the water

Stimulates hydration
and relaxes muscles

Compatible with all
sanitising systems

Reduces the need for
additional specialty
chemicals

Leaves the skin
and body feeling
revitalised after
each swim

Exceptional
water clarity

Proudly Australian made, **mineralfresh®** creates a luxurious mineral water experience in your own backyard using a specially selected blend of healthy, clean natural minerals.
